State agencies must adhere to all applicable state laws, regulations, policies, best practices, and purchase authority requirements (e.g. California Codes, Code of Regulations, State Administrative Manual, Management Memos, and State Contracting Manual).

**B. Purchasing Authority (State Agencies Only)**

The leveraged procurement agreement acquisition method and type for these agreements are:

Acquisition Method	Acquisition Type

Prior to executing subscription agreements, state agencies must have been granted purchasing authority by DGS-PD for the use of the acquisition method and type listed above. For more information, contact the DGS-PD Purchasing Authority Management Section at [pams@dgs.ca.gov](mailto:pams@dgs.ca.gov).

**C. Order Limits/Dollar Thresholds (State Agencies Only)**

State agencies may execute orders, including amendments, up to the maximum order limit listed on page 1, unless otherwise specified by their approved delegated purchasing authority. Each state agency’s purchasing authority is listed by acquisition method and type on their Purchasing Authority Approval Letter (PAAL).

**D. California Seller’s Permit (State Agencies Only)**

California Seller’s Permit information for each Contractor is identified in Attachment A. Prior to placing orders under these agreements, state agencies should verify that permits are currently valid on [California Department of Tax and Fee Administration \(CDTFA\) website](http://www.cdtfa.ca.gov/) (www.cdtfa.ca.gov/). State agencies must adhere to the file documentation required in the State Contracting Manual Volume, as applicable.

When issuing an order to an Authorized Reseller per Section 7.B, it is the state agency’s responsibility to ensure that the reseller holds a valid California Seller’s Permit.

**E. Darfur Contracting Act Certification (State Agencies Only)**

Contractors have a signed Darfur Contracting Act Certification on file with DGS-PD.

When issuing an order to an Authorized Reseller per Section 7.B, it is the state agency's responsibility to ensure that the reseller provides a Darfur Contracting Act Certification.

**F. Civil Rights Certification (orders ≥ \$100,000) (State Agencies Only)**

Contractors have signed California Civil Rights Laws Attachment on file with DGS-PD.

When issuing an order to an Authorized Reseller per Section 7.B, it is the state agency's responsibility to ensure that the reseller provides a California Civil Rights Laws Attachment.

**G. Iran Contracting Act Certification (orders over \$1 million) (State Agencies Only)**

Contractors have a signed Iran Contracting Act Certification on file with the DGS-PD. When issuing an order to an Authorized Reseller, it is the state agency's responsibility to ensure that the reseller provides an Iran Contracting Act Certification.

**7. ORDERING PROCEDURES**

**A. Contractor Selection Process**

Ordering Agencies are not required to solicit multiple offers when executing purchase orders under these agreements. However, conducting price comparisons among the suppliers is encouraged.

**B. Authorized Resellers**

- 1) State-approved Authorized Resellers accept purchase orders and payment from Ordering Agencies for products and associated services offered under the specific Contractor's California Cooperative Agreement.
- 2) Ordering Agencies may only use State-approved Authorized Resellers for soliciting offers and order execution when:
  - a) Attachment A indicates Authorized Resellers are available for use under the specific California Cooperative Agreement; and
  - b) The firm is identified on the most current Approved Authorized Reseller listing posted on the State's Cal eProcure website.

- 3) When soliciting offers from Authorized Resellers, state agencies must retain a copy of the Approved Authorized Reseller listing in the procurement file.
- 4) All orders to Authorized Resellers must contain the California Cooperative Agreement number and the Prime Contractor's name as instructed in Attachment A.

### **C. Purchase Order Form and Execution**

All Ordering Agency purchase order documents executed under these agreements must contain the applicable California Cooperative Agreement number as shown in Attachment A.

#### 1) State Agencies

- a) *STD 65 Purchase Documents* – State Agencies not transacting in FI\$Cal must use the Purchasing Authority Purchase Order (STD 65) for purchase execution. An electronic version of the STD 65 is available at the [DGS-PD website](https://www.dgs.ca.gov/PD/Forms) (<https://www.dgs.ca.gov/PD/Forms>).
- b) *FI\$Cal Purchase Documents* – State agencies transacting in FI\$Cal will follow the FI\$Cal procurement and contracting procedures.

#### 2) Local Governmental Agencies

Local governmental agencies may use their own purchase order document in lieu of the State's purchase order form.

## **8. INVOICING AND PAYMENT**

### **A. Payment Terms**

Payment terms for these agreements are net forty-five (45) days. Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927, et seq. Unless expressly exempted by statute, the Act requires State agencies to pay properly submitted, undisputed invoices not more than forty-five (45) days after the date of acceptance of goods, performance of services, or receipt of an undisputed invoice, whichever is later.

### **B. Payee Data Record**

State agencies not transacting in FI\$Cal, must obtain a copy of the Payee Data Record (STD 204) in order to process payments. State agencies forward a copy of the STD 204 to their Accounting office(s). Without the STD 204, payment may be unnecessarily delayed.

**C. CAL-Card**

Ordering Agencies may use the CAL-Card for the payment of invoices if accepted by the Contractor. Use of the CAL-Card requires the execution of a purchase order document as referenced in Section 7.C (Purchase Order Form) and must include all required documentation applicable to the purchase.

CAL-Card is a payment mechanism, not a procurement approach and, therefore, does not relieve state agencies from adhering to all procurement laws, regulations, policies, procedures, and best practices, including those discussed in the State Contracting Manual. This includes but is not limited to the application of all sales and use tax laws, rules and policies as applicable to the purchase.

**D. Golden State Financial Marketplace (GS \$Mart)**

Ordering Agencies may utilize financing available through DGS-PD GS \$Mart program. Program information is available on the [DGS-PD State Financial Marketplace website](https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/State-Financial-Marketplace) (<https://www.dgs.ca.gov/PD/About/Page-Content/PD-Branch-Intro-Accordion-List/Acquisitions/State-Financial-Marketplace>).

**9. PROBLEM RESOLUTION/CONTRACTOR PERFORMANCE**

Ordering Agencies should first attempt to resolve complaints, issues or disputes informally with the Contractor. If the issue or dispute cannot be resolved by the Ordering Agency, the issue may be elevated to the DGS-PD State Contract Administrator.
